PORT OF  
**VALENCIA**

**GENERAL INFORMATION**

Valencia handles traffic of all types of goods from every sector of the economy. The main customers of the Port of Valencia include: the furniture and timber industries, textiles, footwear, agriculture and foodstuffs (grain and fodder, wine and beverages, tinned food, fruit, etc.), fuel products (diesel fuel, petrol, coal, etc.), chemical and motor vehicles (Ford, Fiat, Land Rover, Jaguar, etc.), the construction industry (cement and clinker, ceramic tiles, marble, etc.) and machinery to name a few. In recent years the Port of Valencia has experienced growth in Mediterranean cruise traffic.

MH Bland has been based in Valencia since 2016 and, as with all ports, has a very experienced and well trained team of professionals able to provide the highest level of service expected by our clients, attending to all their needs where ever and whenever they are required.
